- Allergy test and referral to our next ENT surgeon

Would you like your patient to be followed up with an ENT consultation?

Yes / No

Referring doctor details:

Signed : _____ Dated: _____

Please note that referrals will not be accepted for the following:

- Pregnant woman
- Children under 3 years of age
- Patients with unstable asthma, severe dermatographism, patients on Beta-blockers or patients unable to cease antihistamin medications

Please also note, Sydney Hills Allergy clinic DOES NOT recommend skin prick testing for Latex, Food or Drug Allergies. These patients should have a RAST (Blood Test) instead.
